

**TESTIMONIAL for Mr. HUGO KRISTINSSON
of Gimle Ltd, Christchurch, New Zealand.**

Kian Joo Can Factory Berhad has utilised Absolute Proof software for over a year and we find this software to be very useful, cost effective and adaptable to the printing industry. With the advice and technical assistance given by Mr. Hugo Kristinsson of Gimle Ltd, Christchurch, New Zealand, we are indeed pleased to put on record our utmost appreciation for his untiring efforts to provide unstinted support in our efforts to move into the 21st century, with the implementation of the highest proofing technology standards.

Our establishment, namely Kian Joo Can Factory Berhad, is one of the premier Metal Printing and Can Manufacturing companies based in Kuala Lumpur, Malaysia. To keep up with the progress of the Computer and Printing Technology, we at Kian Joo Can Factory Berhad have made great progress in this direction. Our winning awards is a fitting testimony to show that with proper guidance and training can bring much advancement to the metal printing industry.

From our experience in using ABSOLUTE PROOF to produce proofing for our customer for metal printing, we have achieved a high standard in Colour Management between proofs and press; time and cost saving which result in higher productivity and quality.

Among other devices, we are pleased to have purchased the ABSOLUTE PROOF software from Mr. Hugo Kristinsson of New Zealand. His personal service was most helpful in getting our Prepress personnel immediately familiar with the software. Results speak louder than words, and the accompanying samples show proof of the importance in the following 4 elements to achieve success:

- (a) Appropriate hardwares and softwares
- (b) Proper guidance and team work
- (c) Experienced trainees
- (d) Continuing backup support

Mr. Hugo Kristinsson is directly responsible for 3 of the aforesaid elements and for our achievement in meeting our corporate objectives in this direction, we say a big THANK YOU to Mr. Hugo Kristinsson and we will continue our good business link with ABSOLUTE PROOF.

Mr. See Teow Koon
Executive Director
