Introduction

Packaging isn't just a cardboard container. It's a solution to your unique needs and requirements. It's a solution to graphics, design, materials, filling and shipping among many others. We provide this solution that assures you a superior product at a competitive price. With "Dedication to Excellence" since 1954 we analyze each manufacturing process, constantly improving our abilities to provide you with the highest quality product. Planning is the key to success. This experience has earned us respect from our customers and a reputation for offering quality products and services. Triple A Containers, Inc. is Orange County's first ISO 9001 Certified manufacturer of corrugated products and maintains these stringent standards.

Triple A Containers, Inc. is comprised of several independently managed groups which interact with one another to provide you packaging solutions. We specialize in custom corrugated packaging for bulk packaging, standard industrial shipping containers, specialty retail packaging, point of purchase displays and promotional products as well as many other packaging solutions.

Special services include, but are not limited to:

- Packaging consultation
- Coating and perforation for shrink wrap
- Structural design service
- Prototype service
- Flexographic printing
- Color matching and proofing
- Bar coding
